

WALLNUT SUN (ACOUSTIC LIGHTING)

The WALLNUT SUN is a contemporary single-fixture pendant designed to deliver focused downward illumination with a striking modern aesthetic. Crafted from high-quality acoustic felt in a sleek Titanium Grey finish, this fixture not only enhances visual appeal but also contributes to sound absorption in interior spaces. Featuring integrated LED lighting and available in multiple sizes, it operates on wide voltage range (110–277V) and offers various dimming options, including 0-10V, non-dimmable, and Casambi control. Ideal for both decorative and functional applications, the WALLNUT SUN pairs architectural elegance with acoustic performance, making it perfect for hospitality, commercial, or residential environments.
