

SHELL PENDANT (ACOUSTIC COLLECTION)

The SHELL Pendant combines an effective acoustic control, creating a refined solution for modern architectural interiors. Its integrated polyester-fiber acoustic panel helps absorb unwanted noise and reduce reverberation, supporting a quieter, more comfortable, and productive environment. The fixture can be specified in black or white, with customized finishes and a choice of 36 acoustic felt colors for greater design flexibility.

A continuous silicone lens delivers soft, uniform light with no dark areas and provides up to 300-degree illumination for enhanced visual comfort.
