PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

Featuring a refined rectangular CRISTALY® housing, the BANISTER SMALL by BYIBA offers a modern, minimalist aesthetic with single-point light emission via four integrated spotlights. Handmade in Italy, this ceiling-mounted fixture provides focused downward illumination with a lightweight design and supports GU10 bulbs (max 5 W each, not included). The durable CRISTALY® body is fully paintable, making it an ideal customizable accent piece for any contemporary interior.
