

FORTRESS PENDANT (ACOUSTIC COLLECTION)

The Fortress Pendant combines color, geometric structure, and acoustic performance in a distinctive architectural fixture. Constructed with 12 mm polyester fiber and available in 38 acoustic felt colors, it offers extensive design flexibility for both subtle and expressive ceiling compositions. The acoustic material is non-toxic, non-allergenic, and non-irritating, making the pendant a safe and practical choice for frequently occupied interiors.

With an NRC rating above 0.8 when installed with a 200 mm air gap, the Fortress Pendant effectively absorbs sound and helps reduce unwanted reverberation. It is well suited for hotels, offices, public buildings, shopping malls, and other commercial environments where visual impact and acoustic comfort are equally important.

MATERIAL:

12mm polyester fiber

WARRANTY:

5 years

MAIN FEATURES:

Flexible MOQ.

5 years warranty.
