

AI-PLATE (CIRCADIAN CEILING PANEL)

The AI-PLATE series introduces a circadian ceiling panel that automatically follows the natural 24-hour sunlight cycle, shifting color temperature and intensity minute by minute. Designed for the BYIBA modular ceiling system, its full-spectrum, flicker-free light supports healthy sleep, mood and focus while delivering high color rendering (Ra97) and glare-controlled comfort (UGR<19). Perfect for homes, offices, schools and healthcare interiors, AI-PLATE turns everyday lighting into a tool for wellbeing.
