NOTES

GENERAL INFORMATION:

The DIAGO 1302A is an innovative recessed outdoor lighting solution crafted from BETALY®, designed to blend seamlessly with various architectural styles. Its fundamental geometric design not only provides indirect illumination but also enhances outdoor aesthetics, making it suitable for spaces like garden pathways, patios, and building entrances. Handmade in Italy, the DIAGO 1302A combines innovative design with high-quality materials, offering a sophisticated and functional lighting solution for contemporary outdoor spaces.
