GENERAL INFORMATION:

In just 0.59" thickness, the MILLI TRIS offers an elegant recessed lighting solution that blends powerful performance with a slim profile. Designed for spaces with limited installation depth, this fixture delivers refined illumination without compromising on build quality or versatility. The MILLI TRIS by BYIBA is ideal for interiors where you want a recessed light with strong, clean illumination that stays almost flush with the surface. Its slim depth and high performance make it perfect for modern residential or commercial applications.
