

PEARDROP (ACOUSTIC COLLECTION)

The PEARDROP combines a sculptural, organic silhouette with warm decorative illumination and effective sound absorption. Formed from curved 9 mm polyester-fiber panels, its layered calabash-inspired shape introduces texture, depth, and visual movement while helping soften unwanted noise and reverberation. The acoustic material is non-toxic, non-allergenic, and non-irritating, and it is available in a wide selection of colors to complement different interior palettes.

MATERIAL:

0.9cm polyester fiber

LIGHTING:

E26 base for LED bulb

WARRANTY:

5 years

MAIN FEATURES:

Excellent sound absorption and noise reduction efect
