

PICO-L-S (BY-PC-L-S-RL) combines a slim aluminum body with a continuous illuminated diffuser for a clean, streamlined appearance. Designed for BYIBA's 17 mm track system, its wide 130° beam distributes light across shelves, countertops, and display surfaces.

The module operates on 24V DC and provides warm 3000K illumination in 10, 30, and 60 cm lengths. Available in black or anodized aluminum, it integrates discreetly into residential and retail interiors.

MATERIAL:

Aluminum

LIGHTING:

LED: SMD

VOLTAGE:

24V DC
