

FLOREA (ACOUSTIC WALL LIGHTING)

The FLOREA combines decorative lighting with high-performance acoustic panels in a sculptural floral design. Its flowing three-dimensional texture creates a striking architectural feature while helping reduce ambient noise and improve interior comfort. Integrated LED illumination produces a soft, evenly diffused glow that enhances hospitality, workplace, and residential spaces. Available in a wide selection of acoustic finishes, FLOREA brings together artistic expression, sound absorption, and functional lighting in one elegant solution.

MATERIAL:

ACOUSTIC/CARBONSTEEL/PMMA

LIGHTING:

LED

VOLTAGE:

110-277V

IP RATING:

IP20

APPLIANCE CLASS:

I

OPTICS:

O PMMA

CRI:

CRI90

WARRANTY:

5 years

MAIN FEATURES:

Excellent sound absorption and noise reduction efect

Uniform light distribution

Wide range of finishes
