GENERAL INFORMATION:

The ASTERISK Collection by BYIBA presents a modern design that seamlessly combines functionality with aesthetic appeal. These suspended wall lamps provide high-quality illumination, adding a distinctive touch to any interior space. Crafted from CRISTALY®, a material known for its durability and versatility, the ASTERISK fixtures are available in customizable colors to suit various design preferences. The opal polycarbonate screen ensures a soft, diffused light, enhancing the ambiance of the environment. Designed for indirect lighting, these fixtures are ideal for creating subtle, atmospheric effects in both residential and commercial settings. The ASTERISK Collection embodies BYIBA’s commitment to innovative lighting solutions that blend technical excellence with contemporary design.
