

HALO COLLECTION (ACOUSTIC WALL LIGHTING)

The HALO Collection features minimalist circular acoustic luminaires that deliver both visual simplicity and exceptional acoustic performance. Designed to soften interior environments, the fabric-covered panels absorb unwanted noise while the integrated LED creates a comfortable, uniform illumination. Multiple diameters and customizable colors make the collection easy to adapt to offices, education, healthcare, hospitality, and residential projects. HALO offers a clean contemporary aesthetic where lighting and acoustic comfort work seamlessly together.
