SPEC TYPE

NOTES

GENERAL INFORMATION:

The Quirk (BY-4218-9010) is a recessed luminaire designed for ceiling or wall mounting, featuring a square frame with a central dome-shaped lamp housing. Made from Cristaly® with a paintable white finish, it integrates seamlessly into architectural interiors. The fixture supports an E26 lamp (max. 20W, lamp not included) and operates on 110–120V input voltage. With an IP20 protection rating and Class I insulation, it is intended for use in dry indoor environments. Compact in design and compatible with a housing box, Quirk provides versatile installation options and delivers a clean, modern lighting solution suitable for both residential and commercial applications.
