GENERAL INFORMATION:

The SEGNO BIG wall fixture is a modern architectural lighting element designed for seamless integration into wall surfaces. Crafted from Cristaly®, a high-quality, durable, and paintable material, the fixture allows customization to match any interior design concept. With its minimalist rectangular body and softly rounded diffuser, SEGNO BIG provides a refined lighting solution that blends elegance with functionality. The fixture accommodates a standard E26 lamp base with a maximum of 20W, making it versatile for various light sources, including LED retrofit lamps.
