PROJECT

SPEC TYPE

NOTES

GENERAL INFORMATION:

The ANDROMEDA by BYIBA is a recessed ceiling and wall spotlight crafted from CRISTALY®, a durable and paintable material that seamlessly integrates into modern interiors. Its square design houses a GU10 50mm bulb, with illumination softened by a glass diffuser, providing a harmonious lighting effect suitable for various settings. The fixture requires a drywall depth of 115 mm (approximately 4.53 inches) and a cut-out size of 155 mm x 155 mm (approximately 6.10 inches x 6.10 inches). Handmade in Italy, the ANDROMEDA exemplifies Italian craftsmanship and design excellence, making it a refined choice for both residential and commercial spaces.
