NOTES

GENERAL INFORMATION:

The Damask Big (BY-4196H-9010) is a recessed luminaire designed for ceiling or wall mounting, featuring a rectangular structure with eight lamp housings. Made from Cristaly® with a paintable white finish, it ensures seamless architectural integration and design flexibility. The fixture accommodates GU10 lamps (8 × max. 5W, lamps not included) and operates on 110–120V input voltage. With an IP20 protection rating and Class II insulation, it is intended for safe use in dry indoor environments. Compact in depth yet wide in span, it provides strong visual presence and is supported by an optional housing box for flexible installation, making it ideal for modern residential and commercial lighting applications.
