NOTES

GENERAL INFORMATION:

The BOKU wall light from BYIBA is a compact, cube-style wall light with a minimalist and elegant design. The product code is BY-2336-9010. It is constructed from ceramic with a central vertical opening that softly diffuses light both upward and downward. The fixture has an IP20 rating, meaning it's protected against solid objects over 0.5" but is not water-resistant. It uses a standard G9 lamp (max. 33 W, 110-120 V). The product is available in various finishes, including Brown Stone, Grey Stone, Black Stone, Corten, Oxide, and Paintable Ceramic, with custom finishes available upon request.
