

DRIFT (ACOUSTIC WALL LIGHTING)

Drift is inspired by gentle natural textures, blending soft lighting with acoustic performance in one elegant fixture.

The embossed felt surface adds depth and visual interest while helping reduce ambient noise.

Its warm indirect illumination creates a relaxing atmosphere in cafés, hotels, meeting rooms, and living spaces. Drift is available in multiple textured patterns and contemporary felt finishes.

MATERIAL:

FELT

LIGHTING:

LED

VOLTAGE:

110-277V

WARRANTY:

5 years

MAIN FEATURES:

Excellent sound absorption and noise reduction effect
Uniform light distribution
Wide range of finishes
